

DEFENS

UNIVERSITA' DEGLI STUDI DI MILANO

Doctorate Courses in

Food Systems

Chemistry, Biochemistry and Ecology of Pesticides

16 February 2015 at 3.30 pm

Hall C11, Via Mangiagalli 25

Seminar

**Polymer-Metal nanocomposites: an effective tool
as a catalyst for synthesis of bio-active
heterocyclic compounds and other applications**

Prof. Vasant V Chabukswar
Department of Chemistry,
Nowrosjee Wadia College,
Pune , India
