MEET THE EXPERTS

After the overwhelming success of the last nine International Meetings on Pain Research (SIMPAN) in Pavia, Rome and Firenze, we will close the SIMPAN experience and start with the 1st CIMPAN international meeting in Baveno, Italy.

The first CIMPAN international meeting will be an extraordinary and exclusive education experience reserved for 100 attendees.

The delegates will share two working days looking for new research questions and sharing the more advance knowledge in pain treatment with 15 outstanding speakers.

DESCRIPTION

Lake Maggiore, just 45 km from Milan-Malpensa Airport and
one hour from Milan, plays a central role within a vast area of
long-time tourist tradition, which includes the nearby lakes of
Orta and Mergozzo, with the mountains and valleys of Ossola.

The lakes offer beautiful and enchanting landscapes, such
as the wonderful **Borromean Islands** that float gently in the
waters of Lake Maggiore, with the overlooking ancient villas,
wonderful palaces and stunning gardens, all open to visitors.

The surrounding mountains are ideal for winter sports and
nature tourism, with WWF natural parks and oases hosting
rare and protected species of flora and fauna.
