Project link: <https://4euplus.eu/4EU-703.html?>

PhD mobility (UNIMI- UNICPH- CU)

Event start	February 2024
Event end	July 2024
Venue(s)	UNICPH- CU
Deadline for application	Apply by December 4th 2023
How to apply	By sending CV and motivation letter to carlotta.giromini@unimi.it and miriam.cordoni@unimi.it
Language: English.	

Who can apply?

Students of the University of Milan can apply if they are PhD students in Nutritional science and/ or Food systems

The students will be selected based on *curriculum vitae et studiorum* and motivation letter. Six mobility positions are available

Here the project topic: *Novel and sustainable food systems: understanding and driving the required change in research and communication (SUFORECO)*. The aim of the mobility is to gain experience in foreign universities of the 4Eu+ alliance (UNICPH or CU).

Students will be informed about the results of the selection by e-mail.

If eligible, you will be awarded a 4EU+ allowance for travel and accommodation expenses.

Mobility – Timing

The mobility period can range from 10- 15 days, students will need to complete their mobility by June/July 2024.
