About the project

“Normative Kinds” is a project funded by the Italian Ministry of University and Research (PRIN 2022SYAW7A) and jointly run by two research units at the universities of Milan (PI F. Guala) and Bologna (PI R. Campaner). For the full conference program see: <https://sites.unimi.it/guala/normative-kinds-project-2023-2025/>
