Supporting the Next Generation of Researchers:

European Opportunities for Master and PhD Training

January 19th, 2026

Aula Levi

Via Valvassori Peroni, 21, 20133 Milano

Target Audience: master and PhD students

9.30-9.40 Welcome

9.40-10.00 Insights for 4EU+ programmes (Dr. Del Giorgio)

10.00-10.20 Maria Skłodowska Curie doctorate opportunities (Dr. Peters)

10.20- 10.40 Experiences from Marie Skłodowska Curie PhD students

10.40-11.00 Opportunities for post-doc researchers in Horizon Europe (Prof. Zanda)

11.00-11.30 Coffee break

11.30-12.30 Interactive Round Table for Master students (Room Levi)

11.30-12.30 Interactive Round Table for PhD students (Room 506, first floor via Valvassori Peroni)

*The event is specifically designed for Master's and PhD students, with the aim of deepening their understanding of the European Higher Education and Research Area. Through expert-led sessions, participants will gain valuable insights into academic mobility programs, funding opportunities, international collaborations, and career development pathways within the European framework. The **round tables** will foster dialogue between students, researchers, and institutional representatives, encouraging the exchange of experiences and practical advice.*

Mandatory registration, whether for online or in-person participation, must be completed via the following link
