

Equine experience opportunity for students and junior vets at the Højgård Equine Hospital (Denmark)

The Højgård Equine Hospital offers great opportunities for externship to students and junior vets who would like to get intense emergency medicine experience, as well as medicine and surgical activities on newborn foals.

The Højgård Equine Hospital have rooms available (free of charge) from 21th April until 19th May (3 places) and from 20th May until 29th June (2 places).

The requirements are:

1. Vet student or recently graduated vet (max 2 years since graduation)
2. Good horse handling skills
3. Minimum stay of 3 weeks
4. Ability to work in a team with long hours (also some shifts during weekends and nights)

If you are interested, please write directly to:
